

XERATEST™

THE ALL-NATURAL HORMONE SUPPLEMENT FOR MEN†

XeraTest™ is a hormone-free, all-natural supplement nutritionally supporting healthy, natural testosterone production in men. A man's quality of life relies on healthy testosterone levels, for vitality, strength, stamina, endurance, energy, mood, sexual function, brain function, and more.†

BENEFITS OF XERATEST™

As men get older, they require specific nutrients to support individual needs. Unfortunately, many men have resorted to consuming unnatural hormone replacement supplements that come with a laundry list of side effects; which can do more harm than good. Men need to support healthy testosterone production naturally. XeraTest™ contains all-natural vitamins, minerals and botanicals; providing healthy hormonal support for men, while benefiting their overall well-being.†

XeraTest™ brings together the most powerful, scientifically-researched nutrients for the ultimate hormone-free, all-natural testosterone support. It addresses the physiological mechanisms that often suffer from specific antioxidant and nutritional deficiencies in men in order to support healthy testosterone production. XeraTest™ promotes quality of life via healthy testosterone levels, for better vitality, strength, stamina, endurance, energy, mood, sexual function, brain function, and more. XeraTest's powerful testosterone support is delivered in an extended release tablet that allows for greater absorption and utilization.†

XERATEST™

THE ALL-NATURAL HORMONE SUPPLEMENT FOR MEN†

THE ALL-NATURAL, HIGH-QUALITY VITAMINS, MINERALS AND TESTOSTERONE-SUPPORTING BOTANICALS INCLUDE:

FURAN-T™ FENUGREEK EXTRACT

(300 mg) – Includes a natural source of saponins. Fenugreek may significantly promote testosterone production, while improving numerous other indicators of healthy male reproductive function.†

T-NUTRIENT BLEND (200 mg) – Includes

Tribulus terrestris which has been found popular among natural body builders and other athletes. The nutrients in Tribulus terrestris are associated with an increase in a cascade of hormone-producing pathways.†

IMORTALIUM® YOUTH COMPLEX – A

blend of antioxidant-rich whole foods, botanicals and amino acids that provide anti-aging benefits including telomere strengthening support.†

VINITROX™ – A unique combination of grape and apple polyphenols that support healthy muscle performance.†

CERTIFIED ORGANIC WHOLE FOODS –

A nutritional blend of organic whole foods that provides a high-dose of antioxidants and immune boosting nutrients!†

BORON – An essential trace mineral required for healthy bones and muscles that also supports healthy testosterone production in men.†

XeraTest™ is formulated and packaged with PurityShield™, an exclusive purity and safety system including a photo-protective and energizing cobalt blue glass container, moisture-absorbing packet, air-tight inner seal and tamper-evident outer seal. Look for the PurityShield™ logo as your guarantee of maximum standardized quality, freshness and safety.
